Hear from our graduates as they share memories from their time at Bristol.

Aewis (Malaysia)

'Bristol was named as the best city to live in the UK some time ago - I guess that says it all. Personally, my favourite thing about Bristol is that it is so happening - whether it's night life, street festivals, or international festivals (such as the Balloon Fiesta).'

Annie (China)

'The lecturers are nice. Every time I send an email to ask questions they reply in good time. I also like the tutorials and Maths Cafés, where you have more time to talk about homework questions – I found that really useful.'

Gaurav (India)

'The most useful support for me has been from the Careers Service. They organise multiple events and workshops, some are even catered specifically to international students to help them attain a job and Tier-2 visa in the UK. The various services it provides has helped me develop my skills in a meaningful way.'
